Our featured speaker is **Wayne Perry**, an internationally known sound therapist and vibrational healer, specializing in the profound therapeutic capabilities of the human voice.

In its 15th year of broadcast, Wayne Perry's *Heart Touch*, a popular, leading-edge television show in Los Angeles, discusses holistic health. He has healed himself of several health issues including chronic allergies and kidney stones

and has helped to facilitate the healing of more than a 1,000 others.

Mr. Perry's unique sound healing work has been featured on several nationally broadcast television shows, including CNN, CBS News, *The Roseanne Show*, *Strange Universe*, *America's Talking*, *Alive and Wellness*.

His 1993 release, *The Cosmichoir*, was accompanied by Correlative Healing Chart for Sound Therapy, which is popularly used by healers and sound practitioners worldwide.

Wayne will be speaking on Saturday and presenting an experiential workshop on Sunday.

Founder, Belu Olisa Fairs

Welcome to my world. Since 1977 I have been a student of metaphysics — a world of intuition, heart connection and wisdom. My passion involves bringing people of all walks of life together for the greater good of all. For 26 years I have organized holistic fairs with great success and now I am being guided to journey to Las Vegas. I am truly excited and grateful to be a part of this great city and being afforded the opportunity to unite the holistic community. Join me at Alexis Park Resort Hotel April 26 and 27.
